

XBENCH™
simple | minimal | functional

The soul of Open Office Architecture

Simplicity

Simplicity lends everything a beauty of style that reflects grace and good rhythm.

Minimalistic

Minimalistic design focuses on what is most important; knowing what to leave out and what to put in just where and just how.

Functionality

Functionality in design comes from Innovative material selection, sensible construction techniques and modern aesthetics.

now . . .

Changing office work environments are always a challenge while setting up a new office.

Collaborative work culture, growing young workforce, easy access to technology, multi-skilled personnel and diminishing hierarchies are the order of the day.

This requires an office which is contemporary in styling, simple to maintain and easily scalable.

X BENCH offers all this and much more.

Explore . . .

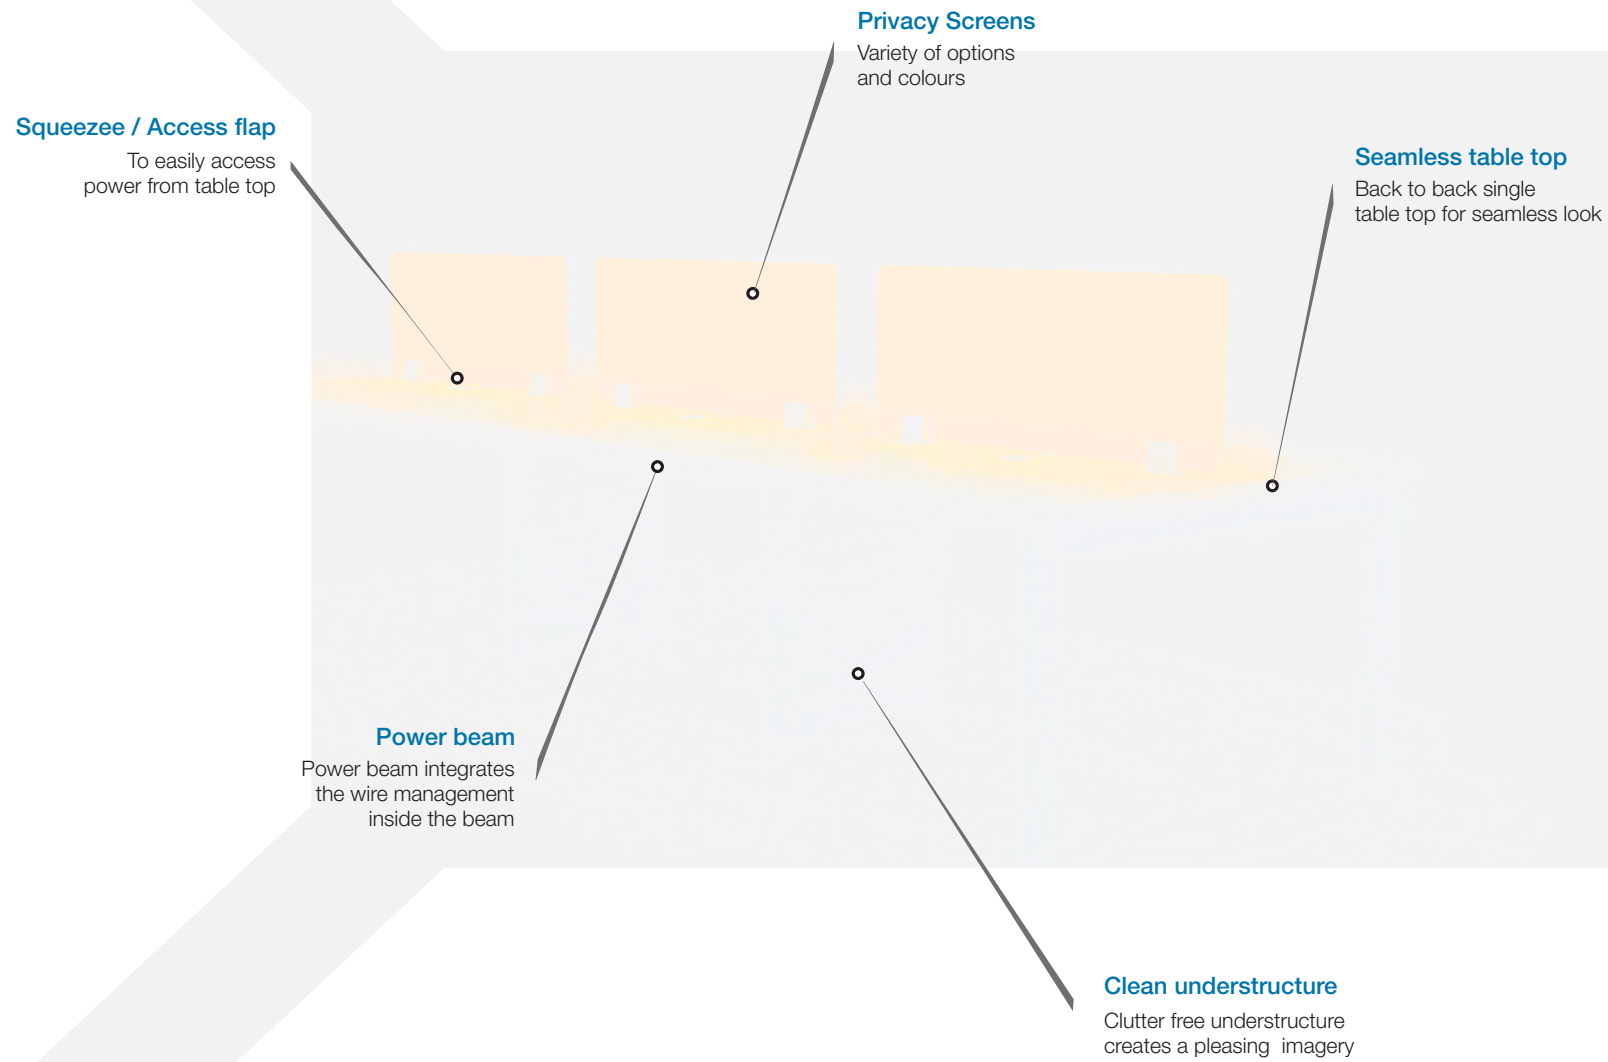

- ▶ Pleasing aesthetics
- ▶ Seamless integration of functionality and convenience
- ▶ Ideal for light and trendy open offices
