Foreword

It is indeed our pleasure in bringing out an amazing collection of sofas, elegantly suited to each space. Wipro constantly aims at providing with the best Wipro has, at all times, making sure that journey from un-crafted pine wood to exceptional outstanding artistry is just as amazing as it is decorating the interiors, embarking along Wipro's trust and quality.

With this collection, Wipro has set out a new standard, this time scaling greater heights than before. The catalog consists of five latest designs and their technicalities, helping you handpick precisely the ideal one every time.

Wipro at crafting

Creating the ideal decor for your personal and professional space has always been a Herculean task. Considering the budget, design and aesthetics, it is easy to get lost with choices. We at Wipro believe that every choice can be made perfect, with our gorgeous collection of sofas.

Designed and tested for better support, our cushions contain multiple layers of foam with wadding which keeps you warm - high resilience foam distributes pressure and maintains shape while polyurethane foam layer adds bounce and protects the sofas from moisture, dust & mites .

In Cloud9 range, we use high quality leatherette that cleans easily & doesn't lose its colour even when wet . No animals are harmed for making our sofas. The construction includes seasoned Kiln dried Pine wood - withdrawing moisture ensures that the fittings remains intact and is resistant to surface defects ,mildew & pests – ensuring that you have a masterpiece, that lasts...

Leatherette finish & Luxury and Quality

With different types of work environments, the need to maintain the life of upholstered furniture is indisputable. Wipro's Cloud9 range of sofas are upholstered with premium leatherette. It is waterproof, easy to clean and maintains its shape and color after long periods of usage.

Cloud9 offers both luxury and quality with the finest finish.

Care and Maintenance

Please clean with a soft cloth. Light vacuuming at the corners is also recommended.

In case of staining, immediately clean using a damp soft cloth or sponge, wiping out excess liquid. Please do not use chemicals or rub the fabric excessively for cleaning.

Use products specifically designed to clean leatherette or sofa upholstery. Before using the product on the entire sofa, please do a patch test to ensure that the product doesn't cause discoloration, extreme dryness or any sort of irreparable damage to the leatherette.
