

beetle™

Defining freedom

EXPRESS YOURSELF

The Beetle chair perfectly complements modern offices which reflects a high-performance workspace. At your home, Beetle not only gives you an ergonomic comfort, but it also gives you a never-seen-before look.

Beetle supports all the ways your people work: inside or outside a meeting room, for long sessions or short bursts of creative energy. Designed for creative collaborators, Beetle is at the vanguard of a new standard of seating that looks better, feels better, and performs better.

Economy, high build quality and superlative comfort - features that impeccably mirror the soul of the Beetle. It has a strong yet flexible exoskeleton and mesh back provide proper posture and support for both lumbar and upper back.

The lumbar support is contoured to fit snugly to the lower back and can be height adjusted to suit individual preferences. Beetle's moulded frame features a carefully profiled winged back that provides a firm support to the shoulders as well as the upper back.

The generously sized special adjustable armrests can be adjusted for optimum stress relief. The height of the soft PU pads can be changed as per individual requirements.

EXCEPTIONAL VALUE, SUPERLATIVE COMFORT

MESH

Specially designed polyester mesh with high bi-directional tensile strength.

MOULDED FRAME

The moulded frame winged back not only gives strength to the chair but also provides upper back and postural support.

LUMBAR SUPPORT

Easily accessible and height adjustable lumbar pad is layered with foam to provide optimum comfort for the back.

SYNCHRO MECHANISM

Beetle comes fitted with a Synchro mechanism with single point locking which allows relative motion between the seat and back thus ensuring enhanced seating comfort

BASE

Stable five prong base is available in black glass reinforced nylon as well as aluminum.
