

Maximize your space...

WALTZ

Beam seating

WALTZ - A truly flexible solution for waiting rooms and reception areas.

Waltz Beam Seating divides spaces, creates separate seating pods for specific user groups and controls traffic flow. Seating units easily attach to a universal beam base. The shapes, the dimensions of the cushions, back and its armrests make it very comfortable. Available in two, three and four person lengths, beam units can be positioned tightly along a wall in a straight run or expanded for L or U configurations. Waltz tandem seating offers the perfect combination of good looks, soothing comfort, easy maintenance and affordability

Features:

- Black Arm pads
- Durable PP shell
- Heavy Duty Beam
- Ventilated Back Design
- Commercial Quality
- Great for High Traffic Areas

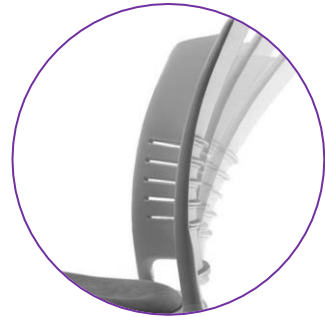

WALTZ – Unique design, optimum comfort

Waltz tandem seating is easy to install, facilitates cleaning and withstands rigorous use.

Solid beam leg

Simple flex-back design encourages movement and relaxation. The back curves to support the user and the contoured seat dissipates pressure points.

Flex slated back

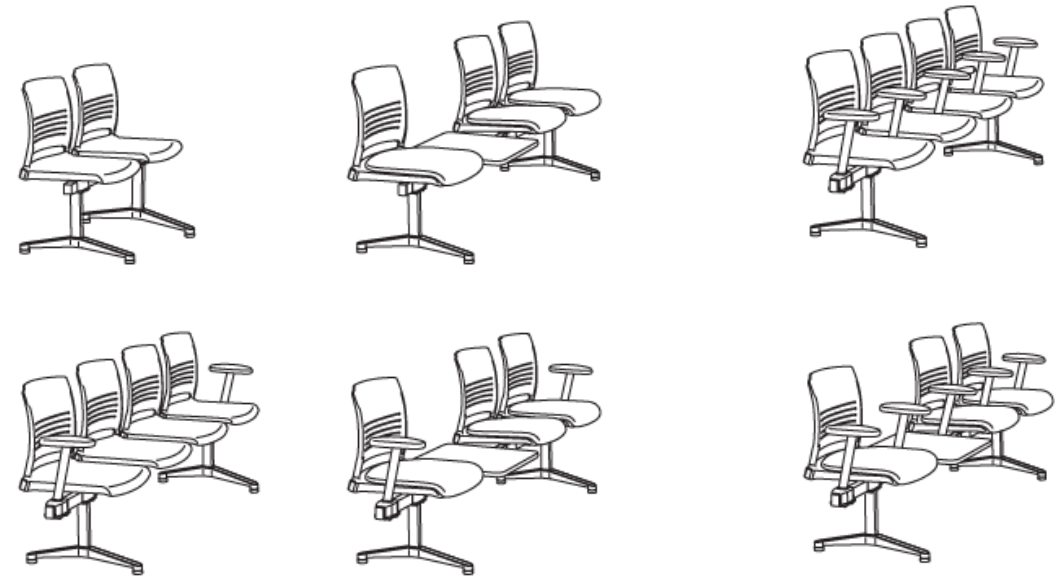

Ventilated design

Slats in the poly back permit flexing; while PP shell design provides durable support.

WALTZ – One Beam , multiple styles

Create comfortable multiple seating arrangements that fit your space. Sturdy beam-mounting allows various combinations of seats and in-line or corner tables to meet your public space needs

Choose the number of elements per unit, determine whether in-line or corner tables are desired, then specify seats in straight runs, L-shapes, or U-shapes.

Linear configuration

L-shaped configuration

U-shaped configuration

WALTZ – It's in the details

Waltz Chair brings flex comfort to a broad audience. Using readily available, recyclable materials, its flex-back comfort is achieved through an ingeniously simple design.

Waltz is offered with a choice of poly or upholstered seats. It uses readily available, recyclable materials, with a small number of components and minimal assembly

The Waltz range offers the flexibility to set up a variety of configurations

- Choose the number of elements per unit (seats or in-line tables)
- Select in-line or corner tables – 600x600mm & 600 mm circular pre-lam board option
- Color Option for Beam – Standard is Black , Can also be offered in Steel Grey & White
- Color option for Upholstery – As per Plano range
